

Thank you for your interest in becoming a library volunteer! The Library depends on volunteers to help it run smoothly and make it a pleasant and orderly experience for all in the community. Therefore, we need our volunteers to be reliable, courteous, and able to commit one or two hours a week for at least three months. New volunteers are on a trial basis for the first month. Our goal is to match your interests to the right opportunity for you. If we have no place for you at the present, we will keep your application on file and contact you when the library has a perfect fit. If you have any questions, please feel free to give Karissa a call at 215-355-1183 ext.107 or email her at murrayk@buckslib.org.
