Step 4: Search for a Book

Tap on the blue magnifying glass to begin searching. Type in the name of a book, an author, or a keyword.

Search Tips

1. Tap on Advanced Search.
2. To search for eBooks only, tap on "All" next to "Format." Then, tap on "eBooks." You can also search by "Audiobooks" only.
3. To search for books that are available now, tap on "All Library Titles" next to "Availability." Next, tap on "Available Now." Then you won't have to sort through titles that require you to "place a hold" to get on a waitlist.

4. You can also search by date published, category, or subject. Just tap on "All" and tap on your selection to change it.
