Giving Tree fundraiser managed by the Friends

Our Mission

The FRIENDS of the Township Library of Lower Southampton is a non-profit organization dedicated to preserving our library for future generations and insuring the library is a resource of information for all in the community.

We raise awareness and funds to enhance and broaden the scope of library services with an eye on tomorrow's world.

Benefits of Joining

Help us spread the word about the library and:

- partner with others who share your love of reading and learning and who recognize the importance of libraries to future generations
- bring fresh ideas to our fundraising efforts
- attend special preview days for book sales and other sales events
- be eligible for first day sign-up for library programs
- have our calendar of events mailed directly to your home

Where Our Funds Go

Money raised by FRIENDS' membership dues, events, and donations goes directly to the library to supplement its annual budget and:

- purchase books for children's giveaways
- purchase computers and devices for children's programs
- sponsor two *Fred Miller Lecture-in-Songs* programs during the year
- sponsor on-going classes like *Chair Yoga* and special adult programs like presentations by re-enactor Alisa Dupuy and archeologist Dr. Steve Phillips

What We Do

The FRIENDS offer volunteer opportunities for anyone who wishes to participate — no matter how much or how little time you have to contribute.

- We advocate for the library with state and local governments.
- We raise funds through book sales, bake sales, pancake breakfasts, raffle baskets, etc.
- We support children's programming throughout the year.
- We support a variety of informational and entertainment programs for adults.
- We maintain the FRIENDS' Facebook page.
- We manage the *Giving Tree* fundraiser.
- And in the end, we keep the library's name in the minds of our residents.

**All are needed!
All are welcome!**
